# All States are Created Equal

Brainstorm:

What contrasts have we already covered between states or regions?

- Political
- Geographical
- Economic
- Historical
- Etc.

# Brainstorming contrast

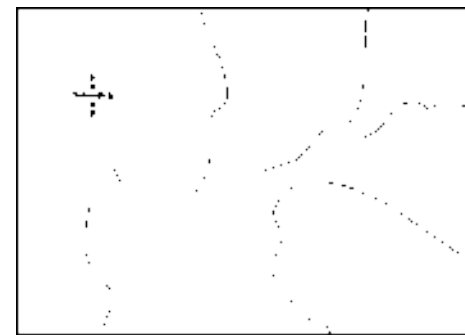

ALASKA (AK)

CALIFORNIA (CA)

NEW YORK (NY)

WYOMING (WY)

# Census Regions and Divisions of the United States

# American off the beaten track

1. Examine your fact sheet
2. Express personal opinions about your state:
  - “I think that it is surprising that \_\_\_\_\_!”
  - “I always thought that \_\_\_\_\_ had good weather!”
3. Make a nametag with the name of your state on it

# CORRECTION!

## **Areas**

New York: 54,520 sq miles (141,205 km<sup>2</sup>)

Alaska: 663,267 sq miles (1,717,855 km<sup>2</sup>)

Wyoming: 97,818 sq miles (253,348 km<sup>2</sup>)

California: 158,302 sq miles (410,000 km<sup>2</sup>)

# State mixer

- You are at a USA state cocktail party with four states represented. Circulate and make sure you introduce yourself and also talk to at least one person from each state.
- “My name is \_\_\_\_\_ and I am from \_\_\_\_\_.” “My state is \_\_\_\_\_ (description).”
- Ask questions!

# Atomic 4: Where will you go?

- All of the states will be obliterated except for one... where will you go?

# Investigation Stations
